

Open Letter

After we read the open letter from the church of Judah, we were extremely shocked and irritated. The pastor we had respected and trusted is unexpectedly a false prophet who usurped the glory of Jesus Christ and claimed as his own the doctrines of reformers and puritans who held fast on the biblical truth faithfully throughout the history. It is he who brought us into the heretical doctrines exhorting and honoring his ministry but speaking little about Jesus Christ. Therefore the people of the church of Zebulun were so confused and frustrated and discussed privately “Why was Jesus Christ mentioned little in the preaching?” Now the truth is disclosed and the true color of Chacko is uncovered finally. He is not the ”second Elijah”, not the so-called ” the special anointed servant of God“, “If you leave, you can't know Jesus Christ, no salvation. ” These views are against the Bible. Chacko is deceitful and deliberately cheated our pure and seeking heart. His actions are evil.

The open letter of the church of Judah is doctrinal, sharp and convincing according to the truth! It exposed Haman of our times. It’s really great!

We are persuaded by the doctrine that no one can replace Jesus Christ, or else it is self-seeking to perish. The Church of Zebulun in China solemnly declares its separation from the ministry of Elijah Thomas Chacko in accordance with the Holy Bible.
