And He saith, *“That which cometh out of the man, that defileth the man. For from within, out of the heart of men, proceed evil thoughts, adulteries, fornications, murders, thefts, covetousness, wickedness, deceit, lasciviousness, an evil eye, blasphemy, pride, foolishness: All these evil things come from within, and defile the man.”* (Mark 7:20-23)

The Open Letter sent out by the church of Judas Iscariot spewed forth the venom of the serpent. What they alleged are the issues that proceeded from within their evil, covetous, proud and rebellious heart. This letter is clear evidence of their evil intention to confuse the weak and undiscerning in the house of God and to cast further doubts into the minds of those who, like them, are filled with surmising, murmurings and bitterness.

They have no doctrinal basis to separate from the ministry of the man of God. A large part of their grievance is the perceived “injustice” to Chia. The only doctrinal reasons they cited were the doctrine of anointing (in relation to the special mandate and identity of Elias who is to come) and the application of the Law.

Certainly, we have no qualms that the ultimate anointing is in the Person of Christ, the Anointed One. But to say that there is no anointing now in the NT era is a fallacy. These traitors say in their letter that “Jesus Christ is the Head of the Church, and Jesus Christ is still sitting and reigning as King when the raging waves of the floods of apostasy are lifted up. He will protect, preserve and take care of His church as the apple of His eyes.’ I want to ask, ‘How exactly does Christ do that?’”

When Christ ascended, He gave gifts to men for the edification of the Church (Ephesians 4:7-14). That He did so by dispensing the Holy Ghost since Pentecost. Christ rules in heaven. Christ rules over His Church through the executory work of the Holy Spirit. He is the Anointing from heaven Who enables the apostles and the ministers of the New Testament to exercise their gifts for the edification of the Church.

To deny the doctrine of anointing is to deny the rule of Christ and the ministry of the Holy Spirit throughout the New Testament era. God uses the 2 anointed ones, 2 olive trees to preserve the elect in all ages through preaching; and to expose sins and evil to stamp against the tides of apostasy. (Isaiah 8:9-18, Zechariah 4, Revelation 11:3-6). God raised up New Testament ministers to preach in season and out of season, to preach, exhort, rebuke with all longsuffering and doctrine for *“the time will come when they will not endure sound doctrine; but after their own lusts shall they heap to themselves teachers, having itching ears; and they shall turn away their ears from the truth, and shall be turned unto fables.”* (2 Timothy 4:2-4)

Now these traitors warned us to “re-examine our faith” and not ‘be swept away by the flood of apostasy!’ Are they saying all their testimonies in the past were lies? They were the ones who testified how they were delivered from the darkness of falsehood in Christendom. Look at their testimonies published in the baptism

booklets. It was the preaching of pastor, the messages conveyed then by the 2 teachers in China which delivered them from the heresies of our days. Now they deny the anointing in Elijah Thomas and brand him as cultish – this is downright wicked! Which doctrine has not pastor restored in our time? I do not need to spell out. The Bible Reading Calendar is the answer.

Nobody forces them to believe about the Elias that is to come. Just like in the days of Christ on the earth, many could not accept that He is the Son of God. For this reason, the Jews sought to kill Christ. History repeats itself. It is an identity crisis: the issue of recognizing the servant of God. This cannot be revealed by flesh and blood but by the Holy Ghost. It was the same with John the Baptist. Many came to and asked him, “Who art thou?”

It is pastor’s condescension to show us the senses of interpretation in passages such as Isaiah 8:18 *“I and the children”*, Isaiah 40 *“voice in the wilderness”*, Malachi 4: 3-5. It is one thing not to have enough intelligence or wisdom to understand this deeper doctrine and have doubts about it. But to categorically put Elijah Thomas Chacko together with the cults, they are attributing all the blessedness they received in time past to the works of Satan! They are no different from the Pharisees who said that Christ cast out devils by Beelzebub. They do not even understand the keys to the interpretation of prophecies which pastor has been showing us from the prophetic books in the Old Testament. How can they understand the Gospelic and Eschatological sense of prophecies? Pastor puts his life on the edge and speaks as to mature congregations. He could withhold such understanding from us. The preaching from the pulpit, which they afore testified has wrought enlightenment and deliverances, is now maligned as ‘the source of lies’! Further, the New Jerusalem Times, the platform whereby they were once spiritually nourished, is to them a propaganda for brainwashing with Chacko’s ideologies! These are total absurdities! Christ said in Matthew 12: 31, *“All manner of sin and blasphemy shall be forgiven unto men: but the blasphemy against the Holy Ghost shall not be forgiven unto men.”*

Their denial of the scriptural warrant for the special mandate shows their unbelief in the doctrine of Eschatology of what characterises our times. This is the last of the last days, where the evil trinity are having their last fling to attack the Church of God with all sorts of heresies. This is a darkness that is as never before. They said they espouse John Calvin but does John Calvin have the light at that time concerning what is happening in our times? He and Martin Luther were fighting the darkness in their age, especially against the Roman Catholic Institution and the Romish doctrines. But now it is not just the Antichrist but also the False Prophet working hand in hand to bring churches back to Rome through the propagation of the false gospels and Ecumenical Movement. Now to deny that there is a need in our age for an Elias ‘to restore all things’, they are saying that there are no works of the enemy in the counter Reformation. I agree with Kadmiel Wang that the spirit of the counter Reformation has actually gone into Chia and Lim and their followers. They are reverting back to the darkness which they came out from. In fact, their darkness

now is even greater. *“For it had been better for them not to have known the way of righteousness, than after they have known it, to turn from the holy commandment delivered unto them.”* (2 Peter 2:21)

Their complaint that “Chacko is a tyrant” and all of those under his ministry are “controlled by him” is baseless! There is definitely the application of the Law in our midst under pastor’s ministry and the measure of it –the use of the Law to bring about humiliation is in accordance to the Holy Scriptures. *“And ye have forgotten the exhortation which speaketh unto you as unto children, My son, despise not thou the chastening of the LORD nor faint when thou art rebuked of Him: For whom the Lord loveth He chasteneth, and scourgeth every son whom He receiveth.”* (Hebrews 12:5-6) Furthermore, we are living in a Laodicean age where the Church is neither hot nor cold but lukewarm. Our face is brazen and hearts are hardened being affected by this technological advanced age and affluent society. How can our hearts be moved without the hammer of the Word of God to expose us. How can the Word of God cut us if the Holy Spirit does not apply it to us? How can the Holy Spirit wrought conviction if the preacher does not apply the law hard on us? How can the heart be rid of the lukewarmness and unbelief without the application of the Law?

The way these traitors equate the use of the Law through preaching, rebuke and reproof to tyrannical rule is totally unfounded. Who does not fear the application of the law? There should be fear and trembling, a holy fear. That is the purpose of every sanction and punishment. Even a child trembles when the parents bring out the cane; that is natural. The Scriptures asserts the place of the law to humble us and cleanse us. As Proverbs 20:30 says, *“The blueness of a wound cleanseth away evil: so do stripes the inward parts of the belly.”*

The church of Judas Iscariot wants a gospel of peace and harmony, without the application of the Law. Are they not now the same as the Antinomians and the Arminians? No wonder their purported ‘doctrine of justification by faith’ is an amalgamation of ‘Hyper-Calvinism’ and ‘Arminianism’ which is totally confusion! It shows they have forsaken the light and embrace darkness - a perversion of the Gospel! *“If any man preach any other gospel unto you than that ye have received, let him be accursed.”* (Galatians 1:9)

“Where the Spirit of the Lord is, there is liberty” (2 Corinthians 3:17). It is not a liberty to sin, to be frivolous and light-hearted about the matter of our salvation. There is a place for solemn joy. There is a place for sorrow of sins, repentance and contrition. To say all our responses are the stereotyped and product of brainwashing shows they do not understand what experimental religion is. If these traitors say, in their opinion, that we are all in bondage of fear, it makes no matter to us. They consider themselves set free – *“while they promise them liberty, they themselves are the servants of corruption: for of whom a man is overcome, of the same is he brought in bondage”* (2 Peter 2:19). Now they repudiate the Law, they must as well join the lawless and liberals and have the system of Anarchism. Our brethren in China who stand

with us have witnessed what has happened now in the midst of the enemies' camp –they have deteriorated to forms of institutional worship and religion and “*every man did that which was right in his own eyes*” (Judges 21:25) .

The corporate testimonies of the China brethren show that Chia and Lim have gone “*in the way of Cain, and ran greedily after the error of Balaam for reward, and perished in the gainsaying of Core*” (Jude 11). Chia is the director behind this confederacy and conspiracy, Lim is the puppet used and fueled by his witch wife. The church of Judas Iscariot leaders as named in the special edition are very wicked to go around to bring corruption and defilement to those emotional and undoctrinal. The virus of the Antichrist spirit was soon caught by many people. It was hair-raising to see how fast this virus like SARS has spread even to the many who came for their conferences. Those who attended the China conference and yet became turncoats could not be exculpated as our pastor has preached so clearly from the book of Numbers, Deuteronomy, Joshua and Judges touching on the issues of Christ's rule, church polity, anointing as well as how to fight the apostasy and focus on the seeking of our salvation. Thank God for preserving the brethren under the leadership of Haziel Qi, Asaph Wu, Adam Zhu and Nahaliel Zhu as they kept going back to meditate on the messages preached by pastor especially in the 2018 AD February China conference. This became their hedge and strength in the midst of the noisome pestilence.

I called to remembrance the Chaah accident many years ago wherein Chia and his wife and some other brethren were spared. For many years they gave thanks to God for the extension of the lease of life. Now I think if they had passed on then, it could have been a more dignified death. Now they had gone to the way of perdition, forsaken their own mercy and together with Lim and his wicked wife, brought so many to destruction. What good is it they gain the applause of the majority in China but lose their souls?! It is better for them “*that a millstone were hanged about his neck and he were cast into the sea*” (Mark 9:42).

Indeed Scriptures has come alive again as history repeats itself. Such debacle is not strange to us as pastor has taught us from the whole realm of Scriptures concerning the rise of mutiny and rebellion in the house of God through agents the Antichrist spirit used. But in this debacle, what is frightening is the fierceness and ruthlessness of the enemies to devour the young and old, the weak and feeble and everyone whom they may prey on. The speed in which the members in the congregation caught on this defilement and corruption is astounding and it speaks of the strength of the evil spirits behind this conspiracy. What happens to Chia and Lim also proves the wicked propensity of our hearts as written in the publication “*Our Special Mandate*”, pg 2: ‘Pastor had addressed this problem very clearly even in the recent China conference but unfortunately many brethren who do not have enough of the grey matter nor sufficient spiritual acumen nor special anointing act as though the corpus of doctrines he had given to them were their own derived understanding.’

What happens prove the veracity of the Scriptures that we are living in these final days of apostasy and the evil trinity is very angry especially with the servant of God whom God has raised to expose the evil trinity and their concoctions.

I could state all these soundly and am not affected by their baseless allegations because my pastor has taught me all these 30 years or so. The precision of the doctrines came through even more sharply year after year. The measure of the Holy Spirit has increased more and more upon His servant. Is there not a cause? To fight the twin battles both without and within the house of God takes that extraordinary measure of anointing. No man can receive anything except it be given to him from heaven (John 3:27).

This episode is a grave warning to me for I cannot just glibly say I am convicted of the person and identity of the man of God and will be faithful unto the end. Many of these ones who departed were also “*once enlightened, and have tasted of the heavenly gift, and were made partakers of the Holy Ghost.*” (Hebrews 6:4) If I fail to have the conviction wrought of the Holy Spirit, then the evil spirits are waiting to pounce on me. Hence, with the objective and subjective evidence to attest to the exceptional anointing in our pastor, the man raised for this hour, I must, with uprightness, affirm and cling onto the instrument God has used for the preservation of our souls, as Ruth clung to Naomi of old. To remember from whom I have learned the doctrines from. Though I have many instructors, there is but one father and that is my pastor, Elijah Thomas Chacko. The seemingly strong ones who had been missionaries for years have also fallen, who will be next? Like Haziël, I need to continually search myself and repent of my pride, conceitedness and the propensity to make merchandise of the truth to advance my self glory lest I too be a castaway.
