## **THE HIMALAYAS**

“The evening sessions with the brethren in the chapel were also blessed. The unmentioned and unplanned theme of the mini conference was, 'The identity, role and importance of the man of God and his disciples in these last of the last days'. The choice of the messages providentially linked together beautifully to impress upon the brethren this matter. The preacher did not arrange it intentionally but it was realised at the end of the trip. Thank God for such a beautiful work of the Spirit of God. We opened the evening session with thy 'State of the world and Christendom address' delivered in the last China conference. In the session, they were made to see apostate Christendom in America, the centre of the False Prophet, and apostate Christendom in Europe, the centre of the Antichrist. The blessedness of the east is seen in that the man of God is from the east and our missionaries are sent to the west. The brethren were warned against the Babylonian culture and the fornicatious lifestyle. The next one was on 'Discerning the times we are living in and the final Apostasy'. It was made clear that we are living in the last of the last days, even as the fulfilment of the various prophecies about the last of the last days are realised in our times, especially in Christendom. The nature of the perilous times in 2 Timothy 3, the Laodicean syndrome, the cycle of apostasy and the nature of apostasy as mentioned in 2 Timothy 4:3-4 are all seen in Christendom today. Above all, the indications of the third Earthquake in Revelation shows that we are indeed very close to the end. Thank God that we have the man of God to guide and warn us, restoring all things in such darkest of all times.” *Reported by David Debbarma and Benaiah Debbarma, on their few days visit to Tripura (especially Takarjala Church and St. Peter School), Part 2, Tripura; 18 April*
