## **TRIPURA, THE HIMALAYAS**

“And hence, providentially the next message conveyed was one of thy messages from 2017 AD China conference. It was about covenantal headship and blessings through the providence of God in the time of great famine, employing the case study of Joseph, Jacob and Judah. The parallelism of the floods in the times of Noah with the flood of apostasy in our times and the great famine in the times of Jacob with the great famine of the hearing of the Word of God (Amos 8:11-12) in our times brought much clarity. We were not only made to see the special mandate granted to thee by God but also our blessedness to be found in thy ministry. When the whole world is starving, we are having such a great feast like Jacob and his family. Such great mercy and grace shown to sinners likes us! Some of the brethren were moved to tears and thankfulness. At the same time, we were warned not to take things for granted but to be like Jacob and Tamar to press home the covenantal blessings unto salvation. O God, save us from being a Ham! The next message was an overview of 1 Samuel, which magnifies the anointing of the Holy Spirit in varying measures upon various people. It not only brought out the necessity of recognising the anointed persons but also to acknowledge and honour them humbly, putting aside our pride and self-righteousness.” *Reported by David Debbarma and Benaiah Debbarma, on their few days visit to Tripura (especially Takarjala Church and St. Peter School), Part 3, Tripura; 18 April*
