“On the second meeting, Naomi Chua conveyed the subject of Anointing (including the different measures) and also recognizing the anointed of God from the book of 1 Samuel. In the book of Samuel, we see the treachery of God’s people by demanding a physical king in spite of having Christ as their King. Indirectly they were rejecting the rule of Christ. They wanted to have a physical king like the other nations. In 1 Samuel 12:6-13, we were shown that God was very gracious by giving the people their demand. And also the choice was made out off the depravity of man’s heart by choosing Saul. But God’s choice was David. We were also shown that many people would not recognise the anointed of God, only a peculiar people like Jonathan and Abigail recognised David. They didn’t blindly follow others. It is very hard to recognise the anointed of our times. We were exposed that there are times we play the family game or stand in unbelief when it comes to recognising the anointed of God. We were also shown that Christ is our King and David typifies Christ. David is the greatest type of Christ in the Old Testament. The presence of the Spirit of God could be felt in the gathering as the conveyance came strongly. From the examples of Abigail and Jonathan, the preacher showed that it has to be the Holy Spirit Who could help them see who the anointed of God is. The call made, once again, was to submit to the rule of Christ as seen in the fact that the star in the ‘star of David’ is Christ. Habakkuk Singh prayed in response to the message at the end.” *Reported by Shelomi Debbarma, Beraiah Lao and Amaziah Debbarma on behalf of Habakkuk Singh, Esther Yeoh, Naomi Chua and Neariah Debbarma, Morgang, Tripura; 18-22 June, Part 6 (final)*
