Dear Sir,

**Information rights concern**

I am concerned that you have not handled my personal information properly. You have unlawfully obtained my **photograph and birthdate** and used it without my consent on your website. I did not give my consent for you to use my photograph and birthdate publicly before and I do not give my consent now.

I understand that before reporting my concern to the Information Commissioner's Office (ICO) I should give you the chance to deal with it.

If, when I receive your response, I would still like to report my concern to the ICO, I will give them a copy of it to consider.

You can find guidance on your obligations under information rights legislation on the ICO's website ([www.ico.org.uk](http://www.ico.org.uk)) as well as information on their regulatory powers and the action they can take.

Please send a full response within 28 calendar days. If you cannot respond within that timescale, please tell me when you will be able to respond.

If there is anything you would like to discuss, please email me at **ms.ruth.thomas@gmail.com**.

Yours sincerely,  
Elijah Thomas Chacko
